### **BizFranchise.com Debuts To Help Entrepreneurs Find The Latest Franchise and Business Opportunities**

ORLANDO, Florida — April 25, 2005 — Today, Biz For Rent, Inc. which owns and operates the commercial property for lease website BizForRent.com launched a demo of its upcoming spin-off website BizFranchise.com devoted to helping entrepreneurs find the latest franchise and business opportunities.

Listing a franchise offering or business opportunity with BizFranchise.com allows entrepreneurs to evaluate franchise and business opportunities quickly and easily from their office or home at any time of the day or night.

Daniel Thompson the president of Biz For Rent, Inc. said, "This is an exciting time for us (at Biz For Rent, Inc.) With the commercial real estate market booming, we have been looking for new ways to better serve our (website) clients. After operating BizForRent.com for the last few years we realized many of our website visitors looking for commercial property for lease were also entrepreneurs looking to start and open their own businesses."

Enter BizFranchise.com is an Internet based information service that provides a virtual marketplace and advertising venue for franchise and business opportunities. "When we designed BizFranchise.com, we had one goal in mind," said George Smith, the founder of Biz For Rent, Inc., which owns and operates BizFranchise.com. "(To help entrepreneurs) find and evaluate the franchise and business opportunities that will help them succeed."

However, Thompson's plans for the new spin-off website don't stop there. "We are so excited about prospects for BizFranchise.com that we have started developing a proprietary franchise site selection application that will give us the ability to cross market available franchise and business opportunities on BizFranchise.com with our inventory of commercial properties for lease on BizForRent.com. In essence creating one stop shopping for entrepreneurs."
